

SciAn Services to attend Biotech 2010 in Pennsylvania.

FOR IMMEDIATE RELEASE

TORONTO, ON – October 5th, 2010 – SciAn Services, Inc., a Contract Research Organization (CRO) servicing biotech companies in all phases of clinical studies confirmed today the company's attendance at Biotech 2010 in Pennsylvania, Philadelphia. The Biotech 2010 conference will be held at the Pennsylvania Convention centre from October 27th to October 28th.

“Since we always had American customers it just made sense to open offices located in the vicinity so we can provide local, customer-centric services the biotech community has come to value from SciAn over the past 25 years. We would love to introduce ourselves to all of the biotech companies in Pennsylvania”, stated Mark Donaghy, General Manager and Vice President Finance.

SciAn specializes in early phase 1 and 2 trials and has its' own proprietary EDC (electronic data capture) - **edc^{pro}** software that supports advanced functions important to early phase studies such as rapid change management, multiple versions of protocols, and global site support. With 620 trials of experience and very seasoned project teams, SciAn proactively works through the issues of clinical trials and minimizes the delays to reported results.

To discuss how we can support clinical development programs with our industry-leading innovative study design methods and data management processes that will save time and money, please come visit us at Booth #226.
