

Press Release

## SciAn Services to attend “The 12<sup>th</sup> annual BioCEO & Investor Conference.

### FOR IMMEDIATE RELEASE

**TORONTO, ON – January 14<sup>th</sup>, 2010** – SciAn Services, a contract research organization (CRO) providing EDC and statistical analysis services to biotech companies in all phases of clinical studies, announced today the company’s attendance at “The 12<sup>th</sup> annual BioCEO & Investor Conference” in Waldorf-Astoria, New York City.

SciAn Services is now scheduling one-on-one meetings with companies that are interested in participating in private discussions on choosing the right methodologies and CROs to maximize the ROI from their clinical trials. Companies that would like to meet with SciAn are to contact Gary Gabriel via email at [ggabriel@scian.com](mailto:ggabriel@scian.com) or call 610-945-1763.

SciAn Services hopes to meet with other biotech companies to discuss how they can support clinical development programs with their industry-leading innovative study design methods that will save time and money.

### About SciAn

Established in 1986 SciAn Services Inc. is a Contract Research Organization (CRO) dedicated to support the clinical development programs of the North American Biotech industry with: Strategic Consulting, Trial Management, Data Management, including EDC, Biostatistics, Medical Writing and Global Safety / SAE Management services. We have completed over 600 studies in a wide range of therapeutic areas.
